

For information relating to the date of each Police and Crime Commissioner surgery over the last 3 years and the number of appointment slots at each surgery which were occupied. I have prepared the following table as requested which identifies the dates and numbers of appointments. The vacant appointments shown in this table may result from people not attending or from the fact that the appointments were arranged to suit people's availability which left a gap between appointments.

Date of Surgery	Number of appointments attended	Vacant appointments
