**SUBJECT OF ADVICE** Extension of the existing collaboration agreement for Chief Finance Officer (CFO) services

**Summary:** The former West and North Yorkshire Police Authorities approved a collaboration agreement for the provision of Treasurer (now Chief Finance Officer) services, which is due to terminate on 31 March 2013. Arrangements are now in train for the appointment of a CFO to the Police and Crime Commissioner for North Yorkshire, but may not be completed by the year end. As it is a statutory requirement to have a CFO, the North Yorkshire Commissioner has requested a short extension to the agreement, initially for one month and on a rolling month's notice thereafter, subject to termination with immediate effect by mutual agreement.

**Recommendation:** That the Commissioner agree the extension on the terms set out above.

**Affordability:** The agreed sum for provision of services is £60,000 per annum.
