

How much does it cost to run the Commissioner's Office on a yearly basis?

What results and how efficient the office is?

Is it Value for Money?

I have enclosed the information you have requested. You can see from page 13 from the Statement of Account that the OPCC (Shown as OPCC Corporate and Democratic Core) cost £1,458.000 for the year 2014-2015.

I am also enclosing a copy of the Annual report for 2014-2015 which gives you further information about the work of the Commissioner's Office and what we have achieved.
