

SCHEDULE 3

2019-20 COMMUNITY SAFETY FUND REPORTING DISTRICT: April to June 2019 – Quarter One

Office of the
**Police & Crime
Commissioner**
West Yorkshire

Drug Consumption rooms - At the recent CGL National Harm Reduction forum feedback was provided from the International Harm Reduction Conference where New Directions members not only attended but also delivered an interactive workshop on the harms related to injecting practices of steroid users. CGL identified and brought back learning and in particular high on the agenda was the potential for drug consumption rooms and supporting the national discussions about this in the UK (and in particular in England).
