- 18.7 Assets with an estimated value of £25,000 or more at the date of their contribution to a Regional Function will remain the property of the contributing Party and no such contribution to the Region will be taken by the Parties as a waiver of any rights or title in that property. It shall be for the contributing Party to determine the value of any asset. Where more than one asset is contributed by a Party to a Regional Function each of which has an individual value of £5,000 or more, the contributing Party may aggregate the total value of those assets for the purpose of this clause.
- 18.8 Nothing in this clause shall preclude a Party agreeing that a specific asset or assets the individual value of which exceeds £25,000 should become a Regional asset in accordance with this clause 17 hereof.
- 18.9 Where a Party has contributed an asset for use in a Regional Function but has retained ownership of that asset then the cost of repair and maintenance of that asset will be charged to the Lead Force, which shall then be recharged to the other Parties in accordance with the Agreed Costs Proportions. - 18.12 A Terminating Party shall be entitled to the return to it of any Regional asset in relation to which that Party has maintained ownership.
- 18.13 Unless agreed to the contrary any monies realised from the disposal of Regional assets shall be deemed as Regional income for the year in which the disposal took place and applied accordingly.

Any financial surplus after the discharge of all liabilities shall be divided between the Parties in the Agreed Cost Proportions (or in such other Proportions as they have contributed to the Regional Function concerned) and the Parties shall bear any shortfall in the same proportions.
- 18.15 In seeking to dispose of assets the RCB shall use reasonable endeavours to obtain the market value for such assets provided that the RCB shall notify the Parties of the relevant market value and the Parties shall then have fourteen days in which to offer to purchase the asset in question.
- 18.16 If more than one Party shall seek to exercise its right to purchase in accordance with the preceding clause of this Agreement then the RCB shall invite those Parties to lodge sealed bids with the Chair of the RCB within fourteen days of being so invited. Such written offer constitutes an unconditional bid to purchase the asset to which it relates at the price contained within the bid and the RCB shall thereafter sell the asset in question to the Party who made the highest bid and payment shall be made within twenty eight days of appropriate notification to the highest bidder.

18.17 If upon termination under clause 9 hereof a Party seeking to terminate has vested in it a Regional asset which is subject to any outstanding financial liability whether by way of legal or equitable charge, operating lease or otherwise then it shall be a condition of any transfer of that asset in accordance with this paragraph that the transferee shall assume responsibility for all indebtedness subject to the consent of the creditor. If the asset is not so transferred then the Parties agree that they will indemnify the Terminating Party in respect of all costs, claims, losses, expenses and/or liabilities arising in respect of that asset.
